

PUBLIC NOTICE

Lincoln-Lancaster County Health Department (LLCHD)

- A. In accordance with Article 2, Section 14 of the Lincoln-Lancaster County Air Pollution Control Program Regulations and Standards (LLCAPCPRS), notice is given for the preliminary determination by the LLCHD to approve the issuance of a Class II Operating Permit renewal for the source identified in item C (below).
- B. In accordance with Article 2, Section 14 of the LLCAPCPRS, notice is given for the preliminary determination by the LLCHD to approve the issuance of a modified construction permit for the source identified in item C (below).
- C. Issuance of the proposed permits allows for continued operation of the subject emission source within Federal, State and Local requirements. Provided below are the name, address, and the North America Industry Classification System (NAICS) code describing the nature of business at the subject emission source:
1. Source Name: Burlington Northern Santa Fe Railway Company 'Hobson Yard'
 2. Source Address: 801 West O Street, Lincoln, NE 68508
 3. NAICS Code(s): 482111 (Line-Haul Railroads)
- D. Potential emissions do not exceed the Class II permit thresholds set forth under Article 2, Section 5 of the LLCAPCPRS. However, the owner/operator has requested an operating permit be issued to incorporate all applicable local and federal requirements that apply to this source. A modified construction permit is required to allow for minor changes in operation of equipment at this source.
- E. The proposed Class II operating permit and modified construction permit will allow for emissions of the following regulated air pollutants in the associated quantities. All quantities are in units of tons per year, or tpy.

Particulate matter <10 micrometers in diameter (PM ₁₀)	3.03 tpy
Particulate matter <2.5 micrometers in diameter (PM _{2.5})	2.20 tpy
Oxides of Nitrogen (NO _x)	36.17 tpy
Oxides of Sulfur (SO ₂ , SO ₃ , and combinations thereof)	1.44 tpy
Volatile Organic Compounds (VOC)	1.92 tpy
Carbon Monoxide	17.93 tpy
Lead	<0.01 tpy
Greatest Individual Hazardous Air Pollutant	<0.01 tpy
Total Combined Hazardous Air Pollutants	0.28 tpy

- F. The proposed permits are available for inspection during business hours at the office of the LLCHD at 3140 N Street, Lincoln, NE 68510. A copy of this public notice document may also be obtained online at: <http://lincoln.ne.gov>, keyword search "air". Telephone inquiries regarding this public notice may be directed to the Air Quality Program at (402) 441-8040. If alternate formats of materials are needed, please notify the Department by calling (402) 441-8040 or (402) 441-6284 for TDD users.
- G. The 30-day public comment period commences August 29, 2016 and ends on September 28, 2016. Within the 30-day public comment period, any interested person, agency, or group may request or petition the Director of the LLCHD for a public hearing. All requests for public hearing must be made in writing, and must state the nature of the issues to be raised and all arguments and factual grounds supporting their position. If a public hearing is granted by the Director, the hearing will be advertised by public notice at least 30 days prior to its occurrence. Comments on the proposed permit should be mailed to:

Chris Schroeder, Air Quality Program Supervisor
Lincoln-Lancaster County Health Department
